SASHA'S TENNESSEE EXPERIENCE

2.45 Lunch over. Bill's backside! Child's face!

3.15 Completely out of control. About equal to 300 mikes of LSD. I have cracked up. I must control. Am scared shitless.... I must try not to go to sleep, as I don't dare lose the visual connection to sanity. I see myself dying.

(SAW SELF AS OLD MAN DYING)

3.45 A nadir of nothingness. I am extremely scared. God Help. The is the insanity game.

3.50 OK again? Not OK again. Was the Vermeer scene out of the window real? Still life?

4.20 This is stark insanity. My father, clear immediate, speaking to me in Russian, reading to me, with his patient voice. I am very little, sitting on his knee.

5.00 Recovering control. Know where I'm going. Not Hungry.

5.40 Might almost consider venturing into the kitchen.
