

Danny Heiner - 12-7-81

st. 18.75mg. 2CB 9:42a.m. (maybe use less)

9:42 - st.

10:10 - noticed energy thru body

10:30 - body sensation "bubbly" + some fear
some head pain but not as bad as usual

11:00 - sees color + pattern - still has body discomfort
went to bathroom to shit

11:15 - cold + lots of body stuff - very intense

11:20 - face seems redder - seems to have headache

2:00 - had 2 tokes of hash
