

§ 404.439 Partial monthly benefits; excess earnings of the individual charged against his benefits and the benefits of persons entitled (or deemed entitled) to benefits on his earnings record.

Deductions are made against the total family benefits where the excess earnings (as described in §§ 404.430, 404.431, 404.432, and 404.433) of an individual entitled to old-age insurance benefits are charged to a month and require deductions in an amount less than the total family benefits payable on his earnings record for that month (including the amount of a mother's or child's insurance benefit payable to a spouse who is deemed entitled on the individual's earnings record—see § 404.420). The difference between the total benefits payable and the deductions made under the annual earnings test for such month is paid (if otherwise payable under title II of the Act) to each person in the proportion that the benefit to which each is entitled (before the application of the reductions described in § 404.403 for the family maximum, § 404.407 for entitlement to more than one type of benefit, and section 202(g) of the Act for entitlement to benefits before retirement age) bears to the total of the benefits to which all of them are entitled, except that the total amount payable to any such person may not exceed the benefits which would have been payable to that person if none of the insured individual's excess earnings had been charged to that month.

10. That part of § 404.441 that precedes the example is revised to read as follows:

§ 404.441 Partial monthly benefits; insured individual and a person entitled (or deemed entitled) on his earnings record both have excess earnings.

Where both the insured individual and a person entitled (or deemed entitled) on his earnings record have excess earnings (as described in §§ 404.430, 404.431, 404.432, and 404.433), their excess earnings are charged, and partial monthly benefit is apportioned, as follows:

The Commissioner of Food and Drugs has evaluated the data in a petition (MF-3515) filed by the Dexter Corp., 1 Elm St., Windsor Locks, CT 06096 and other

CHAPTER II—BUREAU OF NARCOTICS AND DANGEROUS DRUGS, DEPARTMENT OF JUSTICE

PART 308—SCHEDULES OF CONTROLLED SUBSTANCES

Control of Drotebanol

By letter dated April 19, 1973, the Secretary-General of the United Nations advised the Secretary of State of the United States that the Commission on Narcotic Drugs has decided that the drug Drotebanol (3,4-dimethoxy-17-methylmorphinan-6 β , 14-diol) should be added to Schedule I of the Single Convention on Narcotic Drugs, 1961. Under the provisions of section 201(d) of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 811(d)), the Attorney General is required to control Drotebanol in the schedule which he deems most appropriate to carry out United States obligations under that Convention.

The Bureau of Narcotics and Dangerous Drugs has determined that inasmuch as there is currently no accepted medical use for Drotebanol in treatment in the United States, it should be controlled in Schedule I.

Therefore, under the authority vested in the Attorney General by section 201 (d) of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 811(d)) and delegated to the Director of the Bureau of Narcotics and Dangerous Drugs by § 0.100 of Title 28 of the Code of Federal Regulations, and in accordance with § 308.49 of Title 21 of the Code of Federal Regulations, the Director hereby orders that § 308.11(c) of Title 21 of the Code of Federal Regulations be amended by adding a new item (23) to read:

(23) Drotebanol----- 9335

This order shall take effect on August 6, 1973.

Dated: June 27, 1973.

JOHN E. INGERSOLL,
Director, Bureau of
Narcotics and Dangerous Drugs.

CHAPTER II—OFFICE OF ASSISTANT SECRETARY FOR HOUSING PRODUCTION AND MORTGAGE CREDIT—FEDERAL HOUSING COMMISSIONER [FEDERAL HOUSING ADMINISTRATION]

[Docket No. R-73-221]

Subchapter B—Mortgage and Loan Insurance Programs Under National Housing Act

PART 201—PROPERTY IMPROVEMENT AND MOBILE HOME LOANS

Financing of Mobile Homes

In the December 14, 1972 issue of the FEDERAL REGISTER (37 FR 26620) a notice of proposed rulemaking with respect to downpayments required of mobile home purchasers and financial statements of mobile home dealers was published for comment.

Five comments were received, all of which were favorable. Several commentators expressed the view that where the value of the mobile home being offered as a trade-in is less than the required downpayment that the regulation should be amended to allow such a trade-in as a partial downpayment, with the purchaser paying the balance in cash. After due consideration it was determined not to make such a change. The average downpayment on mobile homes purchased with loans insured pursuant to this part has been approximately \$800.00. The difficulty in establishing blue book values for homes considered to have a value below \$800.00 would be considerable, and for this reason the suggestion was not adopted.

Accordingly, Part 201 is amended as follows:

1. Section 201.535 is amended to read:
